CANOGA PARK HIGH SCHOOL

CANOGA PARK, CALIFORNIA

JUNE, 1960

## FOREWORD

An exciting discovery was made recently at Canoga Park High School. An ancient plaque was uncovered located directly in front of the administration building steps. Strange letters spelling "W'34" were inscribed on it. The students feared that some enchanted force lurked there and have avoided stepping upon it.

Eager life science students have made an investigation and formed an hypothesis stating that a tribe of cave men resided on the same sacred grounds as Canoga Park High School.

Perhaps dinosaurs swam in the Los Angeles wash and teenagers attended cave school. Let's follow these pages into the Era of Joe Caveman and his teenage gang.

As I am writing this, I am sitting on the front steps of our school. To my left is the Science Building; to my right is the new classroom building, still under construction; and in back of me is the Administration Building. These are all great tributes to Hunterville. Our beautiful green lawns and our majestic buildings are all living truths that remind us that Canoga is the greatest. Those that have gone before us have made it so, and we, now, are ever striving to make it a living tradition for those that come after us.

As Hunters we all have so much to be thankful for: above all, the high caliber students that surround us make it a pleasure to go here; our fine teachers that give us inspiration to do bigger and better things in the world; and our traditions, marked with honor and glory. Never let us forget the illustrious past we have had. And it's not over. Hunters will continue to have the best school ever.

I am deeply honored that I have had even a small part in adding to it. For this I am, indeed grateful and happy to be a Hunter at Canoga.

Good luck to all Hunters in any and everything they might endeavor to do.

As the semester close is now upon us, many of our students will be facing new situations and experiences.

To the graduating seniors their life is now beginning anew. The door has suddenly opened and freedoms of an unlimited nature will be theirs to enjoy. But with these freedoms there will be new and added responsibilities, the principle one being to themselves as individuals embarking on a new horizon. From here on, their lives will be molded into the permanent mold. I want to extend my congratulations and best wishes for your future happiness.

To you, the remaining students, there will also be new experiences coupled with responsibilities to your parents and your school. Here you are setting the foundation for your life.

In closing, I would like to leave you with this thought "What we will be we are now becoming."

Sincerely,

Richard Zimmerman

## BOYS' LEAGUE

During the fall semester, Boys' League was concerned with two main projects. The first was the revision of the League's constitution, and the second was the planning and preparation for their semi-annual dance.

President Tom Hill guided constitutional change procedures and also lead his hustling group to success with their dance, "At Rainbow's End".

## GIRLS' LEAGUE

The busy cabinet presented the usual New Girls' Party, Rose Ceremony, and this year a Christmas project for the children of Camarillo State Hospital. The fashion show, "Autumn Leaves", had eighty participating girls, and the Dad-Daughter Banquet drew great support with two hundred dads and daughters attending. The greatest success was the semi-annual vice-versa, "Song of the Seas". This dance was the greatest ever at Canoga Park with approximately four hundred couples attending.

The A-12 Steering Committee had a large job in keeping the Seniors informed during their last semester at Canoga. The Picnic, Dinner, Prom, Graduation and cap and gown measurements needed reliable sources. ### Editor's Note:

The Utopian Staff of Summer 1960, regrets to state that the condition of the pictures which appear on these pages is a result of a huge windstorm which hit the Utopian room about March 18. Windstorm Kitty hit with such force that it was impossible to identify all your lovely faces.

## 1960 Utopian Staff

These scurrying, hurrying kids always seem to be in a rush.

"Let's take a vote."

"What about those football layouts?"

"We've got to make it modern looking."

"It's O-U-L-L-E-T"

"The deadline was yesterday!"

"How do you make running heads about cavemen?"

But with all the insoluble problems, the difficulty of capturing every phase of the year at Canoga, and the change of sponsors from Mr. Browne to Mr. Carrillo, the 1960 UTOPIAN emerged as an excellent successor to the prize-winning annuals of the past.

#### LETTERGIRLS' CLUB

The purposes of the Lettergirls are:

1. To provide an organization for girls who have earned their letter in G.A.A.
2. To encourage new pupils in school to join G.A.A.
3. To assist the girls' physical education department and to render service to the school outside of G.A.A.

BOYS' AND GIRLS' GLEE CLUBS

Boys' and Girls' Glee Clubs provide an opportunity for group singing and encourage good fellowship among their members. This year the combined Glee Clubs, under the leadership of Mr. Sidney Lazar, sang for various performances such as the Christmas Assenbly and Vespers.

#### CANOGA BOOSTERS

Canoga Boosters Club is an organization in charge of promoting Canoga's clean campus. The big activity for the fall semester was a clean campus contest between Monroe and Canoga. The event lasted three weeks, and the Hunters received a humiliating one point defeat from the young Vikings.

Kathy Settle, Halls and Grounds Chairman, was in charge of this and all other Booster campaigns.

#### CAFETERIA WORKERS

Hungry Hunters were on their way, but the cafeteria workers were ready. These quick, neat, clean, honest students served food daily at brunch and lunch.

All workers received Gold "C" credit, and if you were lucky enough to work at lunch you also received a free meal.

could be heard through the dimly lit caves.

#### MEDICAL SCIENCE CLUB

Canoga Park's Medical Science Club this semester differed slightly from that of previous years in its organization and purpose.

There were no field trips or guest speakers. Instead, the members contributed to the meetings by attendance and reports, which went towards credit for a Gold "C".

#### NATIONAL FORENSIC LEAGUE CHAPTER

The N.F.L. Chapter worked to make effective speakers, and through increasing their ability in speaking make them more responsible citizens. The officers of the club were: James Rawley, President; Alan Haber, Vice President.

#### FUTURE TEACHERS

The Future Teachers Association Club was open to all students interested in a career as a teacher. Good attendance and interest in teaching were the only requirements necessary.

many joined without being forced.

#### FUTURE ENGINEERS OF AMERICA

The Engineering Club, sponsored by Mr. Bernard Feldman, endeavors to stimulate interest in the many fields of engineering. Some of the boys visited the Science Center at Birmingham High to discuss engineering problems with other high school students.

#### STAGE CREW

In the background the Stage Crew runs the lights and sound, and sets up the props and scenery as it is needed for the assembly. This is a big job for the Stage Crew; responsibility of seeing that the sound and light equipment works well, lies heavily upon their shoulders.

#### LA BIBLIOTIQUE

The Library Club was sponsored in past years by Miss Irene Pilat. Mr. Forrest Farrell has done a fine job in taking her place both as school Librarian and Sponsor of this club.

#### USHERS

If it were not for the ushers' fine work in seating and quieting students, Hunters wouldn't be able to enjoy assemblies as much as they do. Most of the studentbody have probably come to think of them as an integral part of the auditorium.

#### MATH CLUB

Under the direction of Mr. John Thorton, the Math Club promoted general interest in mathematics. Lecture and discussion topics alternated from week to week. They ranged from general mathematics to strict mathematics in the field of topology, number theory, non-Euclidean geometry, and theory of games.

#### PHYSICAL SCIENCE CLUB

Canoga's Physical Science Club, besides promoting the study of Physics, gave the students a chance to get together with all the other science majors and exchange their ideas as well as their science plans for the future.

#### TECHNICAL SERVICE CREW

Can you recall the clear and distinct voices of the speakers during the assemblies? Do you sometimes stay up nights trying to figure out why they are so audible? Well, you don't have to lose any more sleep. The technical service crew is responsible for amplifying the output of speechmakers. They are responsible for sound systems at all Hunterville assemblies and many other activities.

#### FUTURE FARMERS OF AMERICA

The F. F. A. promotes an interest in the agricultural way of life. Club activities included a showing of animals at local and county fairs, participating in Future Farmer Field Day, judging contest and public speaking tournaments. The club was headed by President Ted Stebins and sponsored by Mr. Malcolm Sears.

#### MARCHING BAND

Sponsored by Mr. Adolph Singer, and directed by Don Powers, the marching band participated in many of the school athletic activities. It contributed its music to the football and basketball games and also to the assemblies. Main purpose of the band is to support the athletic programs; its main goal is to promote school spirit.

#### PEP CLUB

Pep Club is an organization which promotes school spirit. Pep Club met every Wednesday at noon in the bleachers, where the students learned the old and new songs and sheers. In the course of teaching the cheers and songs, Head Cheerleader and Songleader Woodie Lortie and Rosie Padilla were assisted by the songleaders and cheerleaders of the fall semester.

#### CONTINENTAL CLUB

The Continental Club this year was sponsored by Miss Lili Rees. The club was organized to create a better understanding of foreign coun-

tries. Various field trips, speakers, helped them understand international affairs. Fall semester's officers were Deliah Rousseau, Pres.; Pauline Miley, Vice Pres.

# "Romeo and Juliet"

The play, "Romeo and Juliet" was written by William Shakespeare. It is a romantic and tragic story of " a pair of star-crossed lovers." It is because of the universality of the characters and situation in " Romeo and Juliet " that it has been selected to introduce the students at Canoga Park High School to their first experience in viewing a Shakespearean play. The members of the cast have had from three to six semesters in the study of acting and theatre in high school .

Canoga varsity gridders ground out a very successful season for 1959. The Hunters started out slowly, beating Lincoln but losing, 26-6, to Antelope Valley. Slowly the players gained confidence and spirit. Canoga's team was undefeated in League play until that memorable day at Reseda.

Allen Beck, John Bushfield, John Sipes, John Burris, Armando Aguilar and the rest of the fighting Hunters cheer energetically for Hunters on the field in the Birmingham game.

While playing in the Antelope Valley game, Verne Greenwood tries to elude the oncoming attacker.

Eagerly awaiting lazy aerial from fullback, Rick Shields, in Monroe end zone is Canoga Park end, Joe Miller. Miller hauled in pass despite efforts of Rich Engel (20) to deflect it, giving Hunters go-ahead touchdown in important West Valley League game at Valley College. (Picture is by courtesy of the Valley Green Sheet).

Steve Delnick (30) holds while Jack White (23) kicks the pigskin over the goal post on Monroe Field during practice after school.

After the big win over Van Nuys, Head Coach, John Hanna, shows Steve Sutherland and Tom Hill how he did it in his days of glory.

Hypnotized by joy after winning the Van Nuys game, Coach John McCaffrey is carried off the field by the gallant men on the Varsity Football Team.

The four players from Cleveland appear to be backtracking as most of the Canoga team push their way through to get the ball. Rick Shields makes a jump pass to one of the Hunters down field. The Hunters are Dave Dawson (44), Vern Greenwood (27), Steve Sutherland (5) and Ben Ashbaugh (22).

Dennis Kruger (38) is cutting around left and leaving all but one die-hard Wolf behind as Tom Hill (33) is out to get him.

Rick Shields (21) makes a power drive through the Reseda line, bowling over one Regent and heading for more, while Ben Ashbaugh (22) and Bob McCleneghan (46) get into the play by blocking out another Regent.

Jay Ward (20) seems to be leaving half the Cleveland team at his feet as John Newman (70) is moving in to help.

Dave Marshburn (22) takes in a beautiful pass as some flying foe from Cleveland dances in the background.

Rich Powell (16) evades Lincoln tacklers to make first down. Also pictured are Mike Doyle (54) and John Hickman (77). Powell's running played a big part in the "B's" opening victory against the Lincoln Tigers.

## SEASON COMMENTS

## BEE FOOTBALL

Canoga's mighty "Bee Team" started the 1959 football season victoriously.

After they beat Lincoln 14-6, they went to play Antelope Valley and lost 14-0. After this game they lost their winning ways. But in that Van Nuys affair, the last game of the year they just walked all over the wolves, 26-6. No team could have beaten them that night.

Jerry Withers (12) would have made a great touchdown except for one thing -- his shirt!

ighlighted by a tremendous 59-56 upset win over previously undefeated Monroe, the Hunter Bee team completed a very successful league season with six wins and two losses to cop second place standing in the league.

ll-League candidates, Ken Fircheem and Jack Wells, lead the scoring with 76 and 74 points respectively. Sandy Gilman was another standout on the team.

Lee Basketball was slightly handicapped by the fact that none of the boys have had previous experience on an organized team. The result of such inexperience was a league tie for fourth, with one win and seven losses. A 36-29 win over Reseda turned out to be the biggest moment of the season.

VARSITY CROSS COUNTRY

Even though Canoga's Varsity Cross Country was below its usual par, its fighting spirit and driving determination was enough to bring them to the Valley Finals. The Canoga Harriers ended their season of play with no wins and four losses. Next year there will be four returning lettermen out of this year's seven.

## J. V. CROSS COUNTRY

They took third in the Valley Finals and qualified for the City Preliminaries. The determination of the JV's led them to two wins and two losses in League play.

JUNIOR VARSITY CROSS COUNTRY

G. Griggs (1), L. Corralejo (2), D. Martin (3), L. Meskimen (4), B. Lee (5), L. Lewis (6), B. Huggins (7), T. Lennen (8), J. Carter (9).

## The swiftest tribesmen carried messages.

LOUIS RODRIGUEZ

LOUIS CORRALEJO

Louis Rodriguez was not beaten all year in League play. He went to the Valley Finals and took first place and a trophy for the West Valley. He went to the City Prelims and took third in his heat. After that he went to the City Finals and took sixth place. The tenth grade cross country ended the season with 2 wins and 2 losses.

## 10TH GRADE CROSS COUNTRY

L. Rodriguez (1), E. Poe (2), J. Taylor (3), H. Corralejo (4), T. Bradley (5), J. Scheiderich (6), B. Buie (7), J. Mutolo (8), G. Scott (9), S. Smith (10), T. Herrieott (11).

# During lulls between battles, girls

This is a view of Canoga's Drill Team in the form of an Indian teepee at the Birmingham football game

L. Olit, F. Bachand, G. Bolyard, J. Weitzel, D. Guibord, S. Nelson, G. McCarty, D. Jobbe, D. Anchando, M. Silva, P. McGraw, M. Pault (Front) and J. Brown (Back), members of Drill Team Steering Committee made up the themes, formations, and routines. They taught the girls the routines on Wednesdays.

## DRILL TEAM

This year's drill team was sponsored by Miss Constance Jones and Miss Cynthia Brown. The drill team did a fine job in their formations and precision marching on the field during half time at the football games. The drill team practiced on Mondays and Wednesdays and often during their spare time.

"Where is the food?" asks drill team members, after they completed their exhibition at Cleveland.

The girls march in step as they wait impatiently to go onto the field.

# entertained with ancient tribal dances.

The Drill Team shows how the "Charleston" was done in their mothers' day.

The girls smile with satisfaction as they march off the field

With the "Roaring Twenties" as their theme, the drill team form an old Jalopy.

The drill team was led by Pat McGraw, Captain; and Linda Olit, Co-Captain. They did an excellent job with the girls and the selecting of the drills.

**LOCKHEED AIRCRAFT  
CORPORATION EXTENDS  
CONGRATULATIONS  
TO THE CLASS OF '60**

Learning covers an entire life span, but your formal education is always considered as a personal investment to a successful future. Your education will be ever more important as industry gears itself for the space age. Your future and ours depend on the highly skilled and highly educated men and women of today.

Facing the challenge of advancing the technology of today is up to you. For those who continue their education and can qualify, there is a great future in the many fields related to space age work at Lockheed.

Air/space travel, whether the vehicle is manned or unmanned, poses vast problems. To expand the total technology of flight, Lockheed's California Division proposes bold new concepts for both military and commercial vehicles. In line with this, the Company has assumed major responsibility for research and development on future space vehicles. This responsibility extends from development of advanced components to major complex systems.

As a leader in engineering and manufacturing of air/space vehicles and other products, Lockheed's project diversification calls for technical skills at all levels. Many individuals with varying levels of education have found promising *career* positions at Lockheed.

When you think of your future, think of Lockheed.
